2012 Editorial Meeting Calendar

#1 in Ad Page Exposures for the General Surgery Market

Surgery News reaches members of the American College of Surgeons practicing in general surgery and non-member office-based and hospital-based general surgeons.

Source: Kantar Media, Media-Chek, June 2011, General Surgery Office & Hospital, Table 223

General surgeons rely on Surgery News every month to cover the world of medicine with breaking news, on-site medical meeting coverage, and expert perspectives both in print and online. The official newspaper of the world's oldest and largest surgical association has been published in partnership with IMNG Medical Media since 2005. Our independent reporting focuses on impacting the way general surgeons practice medicine, and news from the ACS keeps active members up to date on educational opportunities and policy initiatives.
